Dear Parent/ Guardian,

21st November 2018

**MoZo Island – Music Explorers**

**Wednesday lunch club @ 12.30pm to 1.15pm (45 mins)**

Discover a range of musical instruments whilst on a tropical adventure!

Children in Yr2 and Yr3 can learn to play and sing some of their favourite Pop songs while solving puzzles and following a treasure map to win prizes. The club proves to be a great way for beginners to try lots of instruments without the pressure of lessons! Join us every Wednesday lunchtime, for acoustic guitar, ukulele, recorder, singing, keyboard and drumming - fun music and art.

Professional multi-instrumentalist musician and music education specialist **James Tucker-Salfield**, is continuing this very popular club to SMSP. He is a local parent with over 17 yrs experience from newborns to teenagers (including SEN and wider opportunities). The 'MoZo Island' team are all DBS checked, qualified and trained.

The MoZo Island events can help to develop confidence, social skills and musical awareness, in a fun and inspiring environment. Since establishing clubs in Putney and Richmond in 2010, the number of children continuing on to individual instrument lessons doubled after the first year, and continues to increase at both locations.

To find more information and see plenty of videos, photos and reports from the events please visit the website: [mozoisland.com](http://mozoisland.com)

The school will provide instruments to use in the sessions, and each child will need to practise on their own recorder at home each week. You will get an ebook, printed sheets and backing tracks to support their learning at home. If any family has difficulty meeting the costs of the club then please contact Mrs L Dillamore in the school office in confidence.

Advance payment is required for the entire Spring Term **10 Weeks** beginning Wednesday 16th January 2019 **£66.00 (£6.60 p/w)**

To book - please return this form, with payment, to the school office
