

PROUD TO BE TEACHING FRENCH AT SMSP FOR THE LAST 7 YEARS

Welcome to award-winning La Jolie Ronde Languages for Children

"Learning a foreign language, and the culture that goes with it, is one of the most useful things we can do to broaden the empathy and imaginative sympathy and cultural outlook of children. Language lessons provide your child not only with confidence in another language, but more importantly the ability to embrace with enthusiasm the unlimited learning opportunities which will come their way in the future. As a child progresses through his education it will be the early access to something new and exciting such as a foreign language which will open his mind to learning and that in turn will lead to future academic success". (Education Secretary 2013)

KS1 CHILDREN HAVE ACCESS EACH WEEK TO:

- Structured lessons within the framework of games, songs, stories, toys and puppets.
- Lots of opportunity to hear and speak the target language with our popular French (native-speaking) tutor.
- Small, friendly groups allow pupils to feel confident and to excel.
- Registration includes the year's La Jolie Ronde book bag, the full colour workbook & audio download and other French goodies!
- For further information and to register your child please visit www.joyforlanguages.co.uk. Click on ENROL, selecting St Mary's & St Peter's as the Membership Group. You will then be able to pay online.

DID YOU KNOW.....?

- Learning another language helps children develop better reading and writing skills in their own language.
- Knowing a second language helps to increase children's self confidence and self-esteem, and helps them to develop an appreciation of other cultures.
- Having a second language greatly multiplies one's career prospects and makes one more valuable in an increasingly global marketplace.
- French is the only language other than English that is spoken on at least 5 continents. Like English, French is truly a global language. French is an official language in Europe (of course), but also in North America, South America, Africa, Asia and French Polynesia.
