‘Drawing Matters’ is run by experienced practicing artists, Stuart Simler and Tahira Mandarino, who bring with them a broad range of skills from Fine Art and Ceramic backgrounds at BA, MFA (Hons)

This course is for all pupils who have an interest in Art and especially drawing, which is an important part of young peoples creative development. Drawing is not only a skill but an expression that connects us to our environment, develops a sense of wellbeing and helps us to reduce anxiety. We encourage freedom of expression alongside learning new techniques and skills.
