

St Mary's and St Peter's C of E School

Governor Code of Conduct

We believe high standards of care and love are an integral part in the quality of teaching and learning across the whole curriculum. Our school Christian vision of 'Life in all its fullness' applies to all areas of our school. The two great commandments given by Jesus will underwrite the life of our school; they are to 'love God' and to 'love your neighbour as yourself'. It is our aim for both of these instructions to be evident in the whole life of the school, in the relationships between all members of the community; pupils, staff and parents, and also in our safeguarding responsibilities.

St Mary's and St. Peter's school fully recognises its moral and statutory responsibility to safeguard and promote the welfare of all pupils and staff. Our Governor Code of Conduct is one of a range of documents which set out the safeguarding responsibilities of the school. We wish to create a safe, welcoming and vigilant environment for children and staff where they feel valued and are respected.

Aims

This code of conduct aims to set and maintain standards of conduct that we expect all governors to follow.

By creating this code of conduct, we aim to ensure that governors carry out their role with honesty and integrity, and help us to ensure our school is an environment where everyone is safe, happy and treated with respect.

The 7 Nolan principles of public life

As governors, we will follow these principles set out by the government at all times. They apply to anyone who holds a public office:

Selflessness – we will act in the public interest.

Integrity – we will not act or take decisions to gain financial or other material benefits for ourselves, our family, or our friends. We will declare any conflict of interests.

Objectivity – we will act and take decisions impartially, fairly, and on merit. We will use the best evidence and avoid discrimination or bias.

Accountability – we understand that we are accountable to the public for our decisions and actions. To make sure of this, we will be scrutinised where necessary.

Openness – we will act and take decisions openly and transparently. We will not withhold information from the public unless there are clear and lawful reasons for doing so.

Honesty – we will be truthful.

As governors, we will focus on our strategic functions

- ensuring there is clarity of vision, ethos and strategic direction
- holding executive leaders to account for the educational performance of the organisation and its pupils and the performance management of staff
- overseeing the financial performance of the organisation and making sure its money is well spent
- ensuring the voices of stakeholders are heard

As individuals on the board we agree to

Fulfil our role & responsibilities

- We accept that our role is strategic and so will focus on our core functions rather than involve ourselves in day to day management.
- We will develop, share and live the ethos and values of our school.
- We agree to adhere to school policies and procedures as set out by the relevant governing documents and law.
- We will work collectively for the benefit of the school.
- We will be candid but constructive and respectful when holding senior leaders to account.
- We will consider how our decisions may affect the school and local community.
- We will stand by the decisions that we make as a collective.
- Where decisions and actions conflict with the Seven Principles of Public Life or may place pupils at risk, we will speak up and bring this to the attention of the relevant authorities.
- We will only speak or act on behalf of the board if we have the authority to do so.
- We will fulfil our responsibilities as a good employer, acting fairly and without prejudice.
- When making or responding to complaints we will follow the established procedures.
- We will strive to uphold the school's reputation in our private communications (including on social media).

Demonstrate our commitment to the role

- We will involve ourselves actively in the work of the board, and accept our fair share of responsibilities, serving on committees or working groups where required.

- We will make every effort to attend all meetings and where we cannot attend explain in advance why we are unable to.
- We will arrive at meetings prepared, having read all papers in advance, and ready to make a positive contribution and observe protocol.
- We will get to know the school well and respond to opportunities to involve ourselves in school activities.
- We will visit the school and when doing so will make arrangements with relevant staff in advance and observe school and board protocol.
- When visiting the school in a personal capacity (i.e. as a parent or carer), we will continue to honour the commitments made in this code.
- We will participate in induction training and take responsibility for developing our individual and collective skills and knowledge on an ongoing basis.

Build and maintain relationships

- We will develop effective working relationships with school leaders, staff, parents and other relevant stakeholders from our local community/ communities.
- We will express views openly, courteously and respectfully in all our communications with board members and staff both inside and outside of meetings.
- We will support the chair in their role of leading the board and ensuring appropriate conduct.

Respect confidentiality

- We will observe complete confidentiality both inside and outside of school when matters are deemed confidential or where they concern individual staff, pupils or families.
- We will not reveal the details of any governing board vote.
- We will ensure all confidential papers are held and disposed of appropriately.
- We will maintain confidentiality even after we leave office.

Declare conflicts of interest and be transparent

- We will declare any business, personal or other interest that we have in connection with the board's business and these will be recorded in the Register of Business Interests.
- We will also declare any conflict of loyalty at the start of any meeting should the need arise.
- If a conflicted matter arises in a meeting, we will offer to leave the meeting for the duration of the discussion and any subsequent vote.
- We accept that the Register of Business Interests will be published on the school's website.
- We will act in the best interests of the school as a whole and not as a representative of any group.

- We accept that in the interests of open governance, our full names, date of appointment, terms of office, roles on the governing board, attendance records, relevant business and pecuniary interests, category of governor and the body responsible for appointing us will be published on the school's website.
- We accept that information relating to board members will be collected and recorded on the DfE's national database of governors (Get information about schools), some of which will be publicly available.

We understand that potential or perceived breaches of this code will be taken seriously and that a breach could lead to formal sanctions.
