Dear Parent/ Guardian

9th March 2022

Beginner's Ukulele & Guitar Groups
Wednesday after school club group times to be confirmed
@3.30 – 4.30

Calling children in Yr3 - Yr5...

Want to sing pop songs?... and jam in a group?

Develop practical new skills quickly and sing with the most popular instrument in the world today... the **Ukulele, with acoustic Guitar and singing.**

Beginners can easily learn a few notes and chords to join in with the songs. Children who have played an instrument before can increase their existing skills (on ukulele and acoustic guitar) whilst singing the **latest pop songs and movie themes in a relaxed group.**

Professional multi-instrumentalist musician and music education specialist **James Tucker-Salfield**, is continuing this very popular club to SMSP. He is a local parent with over 20 yrs experience from newborns to teenagers (including SEN and wider opportunities).

You will need to provide instruments to use in the sessions, and each child will be encouraged to practise on an instrument at home each week. If any family has difficulty, **I have some spare guitars and ukuleles for you to borrow.**

Advance payment is required for the Autumn Term **10 Weeks** beginning Wednesday 27th April – 6th July 2022 **£85. (£8.50 p/w)**

To book - please email jimrocks25@googlemail.com with online payment.
