General Information

- Communication

Class teacher or the teaching assistant are at the door at each drop off and pick up.

Parent teacher meetings in October and February and a written report in July.

Parents talk for Phonics and Maths, helping explain how these subjects are taught and how you can support your child at home.

E-mails on ParentMail and the school website has year group pages and a yearly calendar.

Please ensure forms, payments and permission slips are returned promptly.

The Friends of SMSP

Everyone is automatically a Friend and everyone is welcome.

The Friend's Association is managed by a committee.

The Friends Committee, with the help of class reps and parent volunteers, host a number of great events each year.

Lots of opportunity for parents to meet and get to know each other.

The Friends provide valuable support to the school by raising funds to enhance and enrich the learning experiences of the children.

For more information please see the school website.
