Dear Parents and Carers,

Another very busy week at SMSP! Year 3 have received some special training in what it means to walk safely. Year 5 dressed up and enjoyed a day of activities as well as a workshop linked to their history topic, the Romans. Today, Year 4 had a similar experience for their study of the Ancient Greeks.

On Tuesday, we had a very yellow day in support of World Mental Health Day. Thank you for your generous donations to Hello Yellow. The mental Health Support Team (MHST) led our collective worship, sharing messages with us all about the importance of positive self-talk and talking to others about our feelings. With warm wishes,
Ms Helen Swain
Headteacher

Year 3 Safe Walking

This week year 3 learnt how to walk safely along busy roads. They learned to stop, think, look and listen to cross the roads safely.

When you are crossing between two parked cars you need to stop and look twice to make sure that you can see past them.

- Grace

We learned that when you are at a junction you shouldn't cross at the widest bit, but instead you should cross at a narrower section.

- Nico

You should go straight across the road, never diagonally, so that you can always see the cars coming.

- Kate

Year 5 are visited by a Roman!

Year 5 enjoyed our Roman Day this week and looked fabulous in their outfits! It was a fun filled day where we learnt lots about Roman daily life. The highlights were a talk about the Roman baths and a workshop about the Roman army.

“I really enjoyed Roman Day because I learnt lots of new interesting facts and we had an exciting gladiator fight with foam swords. My favourite part was when we were told how a Roman had a bath. “

- Jack

“Roman Day was extremely fun and the activities were great. We did amazing things such as Roman games, a quiz and best of all a gladiator fight. It was the best day of the year by far. “

- Arthur

Pupil Parliament

Last May we were elected as the Pupil Parliament representatives from our school. We had to write a speech based on the question; ‘Should the voting age be lowered from 18 to 16?’. On Wednesday we went to York House Council Chamber to share our speeches in front of all the other representatives from each school in Richmond. It was a bit scary at first but once a few speeches were shared we felt calmer. We talked about democracy and learnt about the constituencies and how parliament is formed. The Mayor of Richmond joined us and explained her job as Mayor and we were able to ask her lots of questions. Both of us did really well and Sam was elected as one of the final 10 which was very impressive. We were given medals by the Mayor. In collective worship on Thursday, we explained our exciting day to all of KS2. It was a really memorable experience and we are looking forward to the second PP day in March.
