30 th	Y3 Ancient Egypt Workshop

Dear Parents and Carers,

A big thank you to all Year 2 and 5 reps who are working so hard in preparation for the Christmas Fair. The tombola at the fair always generates much interest, so thank you to everyone for supporting non-uniform / mufti day for sweets today and next Friday non-uniform / mufti day for bottles. We look forward to seeing you all on Saturday 2nd December.

Please check the dates of special events and communications from year groups in the run up to Christmas.

With warm wishes,
Ms Helen Swain
Headteacher

Playground Buddy Training

Year 5 Buddies received official training today! Many thanks to Caitlin and Chris from PATHS who visited us for the whole day and delivered two sessions of training, helping our Buddies to think about the qualities needed for their important role and teaching them new playground games to share on the KS1 playground.

PATHS (Promoting Alternative Thinking Strategies) is taught weekly at SMSP. The programme is an evidence based social and emotional learning programme that teaches pro-social skills, emotion understanding, social problem-solving and self-control.

Caitlin will be delivering an information session about PATHS for parents soon.
