Dear Parents and Carers,

The children have been eager to get back to school and, despite the weather, have made the most of this week's learning. Year 3 enjoyed their Stone Age workshops, they learnt about the weaponry used for hunting and handled primitive tools!

Once a week, prospective parents are welcomed to SMSP for a tour of the school and then a talk with me. Without fail, the parents say how impressed they are with the children from Year 6 who show them around.

We have several exciting events to look forward to in the coming weeks, so please check the calendar for key dates.

With warm wishes,  
Ms Helen Swain  
Headteacher

## Stone Age Day

"I mostly liked utterly everything in the workshop because the man (who we called Bob) was really funny."

"I liked when we went hunting for the woolly mammoth."

"I enjoyed the workshop and holding the different Stone Age tools."

"We learnt about the tools they used in the Stone Age. It was great feeling the tips of stones and the antlers and some bows and arrows."

"I enjoyed the workshop because we passed around tools and I got to feel, touch and smell different items from the Stone Age."

# Achievers

# The Horse Rangers Association

## Who we are

We are a local charity dedicated to helping children to develop life and social skills whilst learning to ride & take care of horses

## What we do

We provide children with the opportunity to develop character, responsibility and a concern for animals and people, in a safe and enjoyable environment

## And more...

Based in Hampton, you can see us in Bushy Park. Horse Rangers welcome children from the age of 8 and run throughout the year every weekend to do badge work, stable management and riding whilst making friends for life.
